CLINIC

- The clinic uses an instructional format that introduces the sport to Kindergarten and 1st grade boys and girls. The program scales down all aspects of regulation basketball – including equipment, court size and basket height to tailor the game for this age group. The sessions will be held on Saturdays beginning January 25 and will consist of eight (8) sessions.
- **NEW FOR 2020 – The 1st grade sessions will include an introduction to game play. After some instructional drills, the participants will be separated into teams to scrimmage. This will allow the participants to use the skills they are learning during the clinic within a structured game setting.**
